Mr. JASON ALLEN

Jason Allen is the Manager of Research, Education, Wheelchair Tennis, Adaptive Tennis and Technical at USTA National. His main goal is to conduct and facilitate research to grow and develop tennis across all facets. He is also part of the USTA U team that is restructuring the tennis coach certification process. Moreover, he oversees coaching education for both wheelchair and adaptive tennis. On the Technical side, he handles ball testing and court testing. Jason holds a BA in Foreign Language Education, an MA in Educational Leadership with a Principal's License, and is currently finishing a Doctoral Degree in Educational Leadership with a focus on coaching education.

Some of his current research projects consist of growing the 18-39-year-old space, wheelchair tennis mobility, parasport coaching studies, and conceptual coaching framework design.

MATT SMITH

Matt Smith is from the UK, an LTA Level 5 Master Club Coach, and previous LTA British Coach of the Year. He was the Head Coach at Epping Tennis Club and then the International High-Performance Centre, University of Bath. Matt has a 1st class degree in Tennis Management and Level 5 in International Leadership and Management, has consulted for multiple large tennis programmes and venues on player and business development and is currently the LTA Coach Development and Learning Manager. Having presented at multiple international conferences, including the ITF

Worldwide Coaches' Conference and Australian Open Grand Slam Coaches' Conference, he has now set up his own international charity project the 'Mini Tennis World Tour' with over 11,500 children on the programme.
